Captûre 2009 *Tradition* Sauvignon Blanc - 90 points

“Capture’s 2009 Sauvignon Blanc Tradition is a welcome introduction to this estate. Displaying a French-like style with fresh herbs, flinty grapefruit, good acidity and a crisp, medium-bodied personality, it should offer pleasant delicious drinking over the next year.”

Captûre 2009 *Les Pionniers* Sauvignon Blanc - 92 points

“The 2009 Sauvignon Blanc Les Pionniers exhibits more minerality with notes of wet stones, honeyed citrus, melons and figs. This medium-bodied white cuts a slightly deeper, more exuberant swath across the palate and possesses a surprisingly long finish.

These two offerings...will be well-received by consumers.”
